

# Pedal to Padre, Inc.

## General Information

Pedal to Padre, Inc. incorporated in 2017 and continues the Pedal to Padre tour which began in 1996. Our purpose is to provide a tour between Brownsville, TX and South Padre Island, TX targeted toward a wide range of riders at varying experience levels. The primary tour will be approximately 28 miles and an expert route may be offered for advanced riders looking for a 50+ mile tour. Pedal to Padre has seen between 1,000 – 1,500 riders for the last several years and we hope to continue that tradition. Local non-profit organizations are recruited to volunteer at the event in return for a donation to their organization, and as revenues allow, Pedal to Padre, Inc. plans to make donations to local non-profit causes in the cities we ride through or to local municipal recreation, beautification, or tourism causes.
